JRS is on the front lines of the response to families fleeing their homes in Ukraine. We have been following with concern the developments there even before the start of the Russian military offensive. We join with Pope Francis in grieving the “diabolical senselessness of violence” and is asking all parties to “refrain from any action that would cause more suffering.”

JRS Initial Emergency Needs Assessment: 3-6 Month Timeline

This overview details Jesuit Refugee Service's immediate response for the reception and accompaniment of displaced people in Ukraine, in coordination with the Society of Jesus community in Ukraine, and those who have fled to bordering countries. Efforts will be undertaken jointly with JRS country offices, local civil society, NGOs, and a network of six development agencies of the Xavier Network. JRS requests your support for a coordinated humanitarian response that will extend throughout Southeast Europe under the strategic direction of JRS Europe.

Jesuit Refugee Service (JRS) is an international Catholic organization serving refugees and other forcibly displaced people. JRS's mission is to accompany, serve, and advocate on behalf of refugees and other forcibly displaced persons, that they may heal, learn, and determine their own future. Founded as a work of the Society of Jesus (Jesuits) in 1980, JRS today works in more than 57 countries worldwide to meet the educational, health, and social needs of more than one million refugees.
